

The purpose of this documentation is to describe how to make a Peanut Butter and Jelly sandwich

Problem: Make a Peanut Butter and Jelly sandwich

Description: The Peanut Butter and Jelly sandwich is a very simple yet tasty sandwich that can be done quickly by taking the following steps:

Solution:

1.Get the ingredients

You will need to get:

- *Peanut butter.
- *Jelly, Jam or preserve.
- *2 slices of bread.
- *A clean, flat surface or a cutting board.
- A clean butter knife.

2.Prepare the bread

- *Make sure the slices have the same size and put them on the clean surface or cutting board.

3.Apply the butter

*Open the Jar of Peanut Butter and use the butter knife to scoop some Peanut Butter and spread it on one slice of bread.

- *Close the jar when you are done and clean the butter knife.

4.Apply the Jelly

*Open the jar of Jelly and use the butter knife to scoop some Jelly and spread it on the other slice of bread.

- *Close the jar when done.

5.Combine both slices of bread

*Press the 2 slices of bread together (Make sure you press the sides with the Peanut Butter and the Jelly!)

6. Eat and clean

*You now have a delicious Peanut Butter and Jelly sandwich! Enjoy your sandwich or pack it. Make sure you clean the surface, the butter knife and put the jars away.

Additional Notes

*On step 3, you can put Peanut butter on both slices. It doesn't hurt and will prevent the bread from getting soggy from the jelly. It is up to you.
